Continuation of 4(e) Other: Applicant's claim amendments (10/6/09) are not based upon the previously filed claims (3/16/09). The examiner notes that applicant's present claims comprise numerous changes in view of the previously filed claims, however, such changes are not properly shown by claim markup as required when making amendments. (please compare presently filed claims to previously filed claims of 3/16/09). Furthermore, applicant's presently filed claims comprise claims that were cancelled by prior amendment (e.g. see claims 6-8, 11, 15, 23-26).
